Remember, daily attendance helps improve student grades and your students' chance of success! Communicate with their teachers through Dojo, agenda, or a phone call to let them know if your child will be late or absent. Call the school as well because this helps us keep accurate attendance records.

Greetings Bulldog Families!

This month BPAP is giving back to our community. We are hosting a food drive where you can donate items like canned fruits and vegetables, snack, and pasta. Please send in donations up till November 12th.

We use iStation to increase our math skills like Number Sense, Measurement and Data Analysis, Geometry and Computations and Algebraic Thinking.

All grade levels use iStation. iStation is based on your child's level. It creates activities for your child to do based on that level. Your child should be spending at least 30 minutes a week on iStation.

When your child works on iStation at home check to see if they're focused and on task. Also heck to make sure they worked on it at least 30 minutes.

As always, we thank you for your support as we work together to ensure our students reach their full potential.

Go Bulldogs!

KINDER- GARTEN

Students of the Month

Olivia Munro

Romello Marcus

Sidney Bradley

Gumm

Prestin Vieira

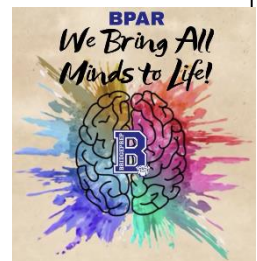

Arianna Colina

What are we learning?

ELA: Sounds around us and
the places we go
